HIGH CC NON-STANDARD PUMP

M208

This pump is heavy model of 4044 Mahindra inter.

M405

This pump is heavy model of Sonalika 16cc.

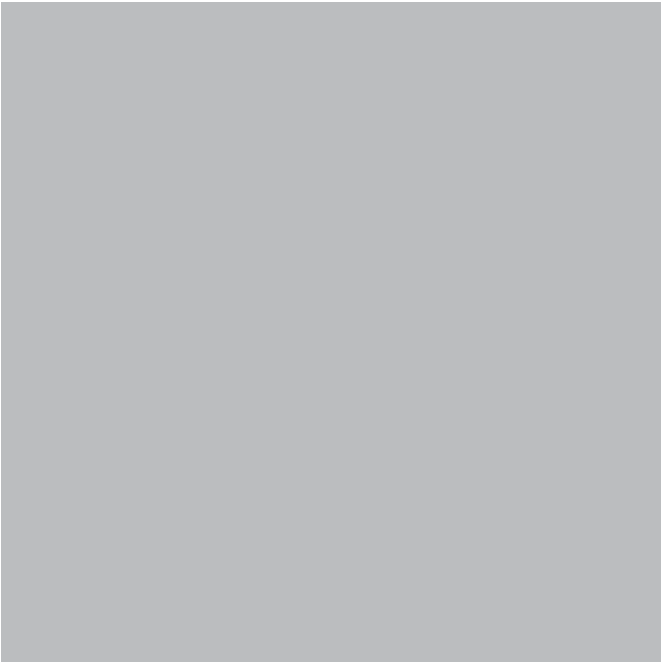

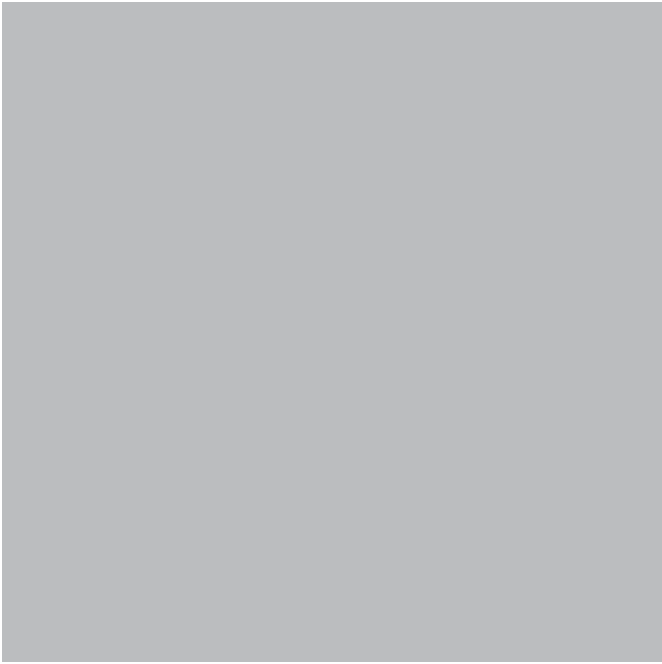

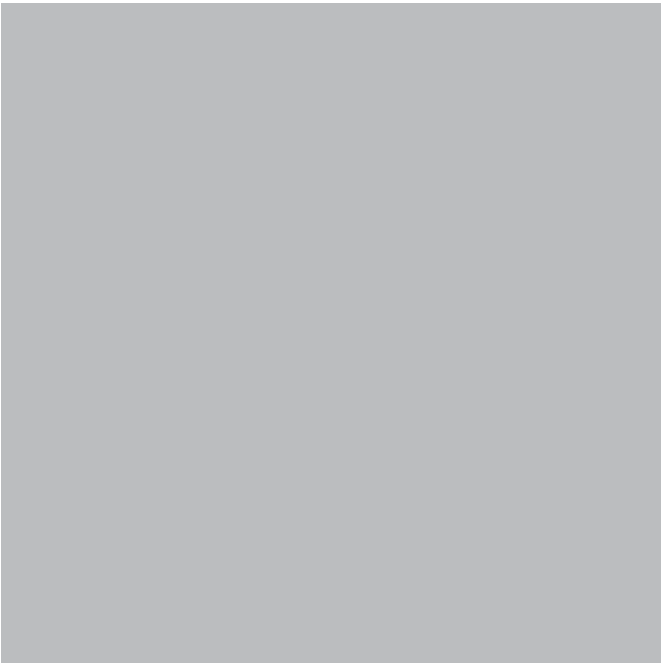

PT604

This pump is heavy model of Preet 16cc.

COMPANY MACHINERY FACILITIES

Every pump undergoes dimensional verification, assembly inspection, and performance testing before dispatch. VBC's quality infrastructure ensures consistency across all pumps manufactured monthly.
